

# High calibre HR professionals, expertly picked

When you partner with us, you will have direct access to our unrivalled talent pool and extensive network of relationships, fostered over our four decades within the HR space.

## Experience matters and we've got it

We are HR recruitment experts with an established reputation in the part time HR market, alongside our thriving full time offering. We cover senior permanent, contract and interim hires.

## Why we do what we do

- We want to share our extensive knowledge of HR to support businesses in their growth journeys
- We're committed to representing a more diverse talent pool, including those who seek a more flexible work pattern
- We have the freedom to be creative and consultative to provide optimum solutions for clients
- We truly live our personal values in all we do
- We're passionate about our community of high calibre talent
- We demonstrate emotional intelligence in how we do business

# Take a look at these

Here's how we've partnered our clients

“ It has been a pleasure to work with Harriet. She quickly understood our requirements and provided a useful insight into the candidate community. We are delighted with the process and the outcome - highly recommended. ”

Katrina Cheverton  
MD, Savannah Search

Word-of-mouth is how we get 96% of our client work. Just ask around about us!

Trapeze HR Limited - registration number 11374544

“ I worked with Harriet when looking for my first London HR role 15 years ago. The support I got to achieve my dream role stayed with me and knowing how well candidates are supported through processes with Harriet, no-one else came to mind when looking to hire a new reward role in my team. ”

**Simon Cable**  
HRD, Insurance

“ It's been very good to work with you on this – it has only reinforced my view of Trapeze as a recruiter that is a cut above the rest ”

**Veronique Medcalf**  
People & Culture Director  
Cromwell Property Group

“ They helped me shape the role and define the ideal candidate profile and were then brilliant in finding some amazing candidates. All of this was done quickly, professionally and without over engineering. I wished they recruited in other disciplines as I would use them for all our recruitment needs ”
